## FREE BUS PASSES

(CONCESSIONARY TRAVEL SCHEME)

This notice is for the attention of individuals who currently hold a 'free bus pass' or are likely to be eligible in the future.

On 1 April 2011, Oxfordshire County Council became responsible for the overall management of the Concessionary Travel Scheme in the county. However, please note that bus passes will continue to be issued by your local District Council as usual until 31 March 2012.

In order to develop plans for this service from 1 April 2012, we are looking at ways to standardise the application and card-issuing process across the county. Any changes would mainly affect those applying after 1 April 2012 rather than existing bus pass holders. Please note **there is no intention to change the terms and conditions of your travel**. We would therefore like to hear your views on these proposed changes. To take part in this consultation questionnaire, or for further information, please contact us:
