

Notice of daytime road closure, Fulwell

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

As part of our preparatory works for the future diversion of a local water mains, we will be carrying out environmental surveys along the road known as Street through Fulwell, between Fulwell and Finmere.

As our teams will be conducting these surveys very close to the local highway and due to the narrow width of the road, we will need to close this road while we carry out our surveys. These surveys are expected to be completed in one day.

Access will be maintained for emergency services and any properties within the closure area.

When will these works take place?

A section of Street through Fulwell will be fully closed from 8am to 6pm on Monday 26 February.

Due to circumstances outside of our control, such as weather, the contingency date for these works is Tuesday 27 February.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
